## **Clay and Glass Gallery celebrates ‘Glass Fourteen’ Youth Public Art Project**

**Waterloo** - On September 28, the Canadian Clay and Glass Gallery will unveil and dedicate the ‘Glass Fourteen’ Youth Public Art Project. The ceremony will take place in the main hallway of the Manulife Financial Sportsplex at RIM Park. To mark its 20th Anniversary, the Gallery will donate this artwork to the City of Waterloo.

With artist mentor Laurie Spieker of Grand River Glassworks and blacksmith Sandra Dunn of Twosmiths, high school students from Kitchener and Waterloo created this artwork. The 13’ by 15’ fused-glass tree chronicles the four seasons through changing colours and imagery.

All are welcome. Light refreshments will be served.
